

## **Safeguarding Checklist Guidance (The North)**

This guidance relates to the checklist that **all** organisations funded by Foras na Gaeilge and who provide activities/services that are defined as regulated activities in the Safeguarding Vulnerable Groups (Northern Ireland) Order 2007 **must** complete. You can find a description of regulated activities here: <a href="https://www.nidirect.gov.uk/articles/regulated-activity-vulnerable-groups">https://www.nidirect.gov.uk/articles/regulated-activity-vulnerable-groups</a>.

If your organisation **does** provide regulated activities you **must** complete the checklist. If you answer **No** to any of the questions:

 Please indicate what corrective actions you are undertaking and indicate a time frame for compliance.

or

 Provide an explanation in the comment section of the checklist for why it is not in place or necessary for your organisation.

If your organisation decides that it **does not** provide regulated activities you must inform Foras na Gaeilge in writing and you are **not** required to complete this checklist.

Foras na Gaeilge may withdraw funding from organisations which are not compliant with this Safeguarding checklist (or taking satisfactory steps towards being compliant).

Foras na Gaeilge do **not** require a copy of your organisation's Safeguarding Policy or evidence of compliance but we do require a signed copy of this checklist.

The terms 'Safeguarding Policy' and 'Child Protection and Welfare Policy' are commonly used, however when referring to safeguarding in the North children and adults at risk are included in this definition. Therefore for consistency we will use the term Safeguarding Policy in this document.
