1. About this scheme

Foras na Gaeilge is providing funding to appropriate committees to give them an opportunity to develop arts festivals or elements of festivals being run and implemented through the medium of Irish or which the language-based arts are a central part of them. This scheme is aimed at festivals which aim to foster and promote through Irish or bilingually the Irish language, the language-based arts, the indigenous Irish-language arts and Irish language heritage, as an integral part of the festival, and to provide a stage for the Irish language community, to the wider community and to the arts sector. As well as that, the aim of the scheme is to develop and foster opportunities for use and networks through the medium of the arts.

Grants are provided with public money, and Foras na Gaeilge has statutory duties to ensure the value for money of all funded projects.

Foras na Gaeilge recommends applicants seek joint funding for projects, when appropriate, and to cooperate with other organisations in order to achieve the best value from the Foras na Gaeilge grant.

We particularly welcome applications from organisations located in areas recognised in government strategies or legislation.
